

# Double IPL

This Double India Pale Lager takes the complexity of our lagers and doubles the hops with American west coast varieties.

Simcoe hops provide a pronounced piney aroma while Amarillo hops add citrus notes. Balanced with a full bodied Imperial Lager, this beer is perfect harmony in a classic rendition of a new school style.

..... CHARACTERISTICS .....

CITRUSY • PINEY • CLEAN • FULL BODIED

**Brewed** on the grounds of Trapp Family Lodge in Stowe, Vermont, this lager is crafted with the finest traditional ingredients and our pure Vermont spring water.

**Inspired** by the quality brewing heritage of his ancestral homeland of Austria, Johannes von Trapp has built a world class brewery on the grounds of his family's lodge in the pristine mountains of Stowe, Vermont. Using traditional Austrian brewing techniques, our master brewer creates pure, clean beer with amazingly complex flavor profiles.

### The Good Stuff .....

Of course, everyone says they use the finest ingredients and so do we, but few can say they use their own natural resources. We do. You can taste the difference. This beer is brewed on the grounds of the Trapp Family Lodge, using pure Vermont spring water from right here on our own property.

ABV: 8.0% | IBU: 55
