Austrian *Style* EXPORT LAGER

This collaboration with Jack's Abby of Framingham, Massachusetts is the next offering in our Collab Series, an Austrian-inspired export lager. Brewed with Pilsner and Vienna malts, Slovenian Styrian Golding hops, and fermented cool with our house lager yeast, this single-decocted deep golden springtime lager has notes of bread dough, honey, spice, and toast, with a round mouthfeel and smooth, rich finish.

ABV: 5.6%
