

## SMOKED HELLES

BAMBERG-STYLE PALE LAGER

VON TRAPP & LIVE OAK BREWING CO.

This collaboration with Live Oak Brewing of Austin, Texas is the next offering in the Stowe Style series: A Bamberg-style pale lager brewed with beechwood smoked malt, noble hops, and our pure Vermont spring water. Single decocted and krausened for natural carbonation, this unfiltered Helles is gold in color with subtle notes of campfire, hay, and honeysuckle with a medium-light body and bright and crisp finish.
