

Cellar Series: CZECH BLACK LAGER

The fourth offering in our Cellar Series is a Černé Pivo style lager produced in collaboration with Em Sauter of Pints and Panels. This double-decocted lager is brewed with a blend of floor-malted Bohemian light and dark malts, 100% Czech-grown hops, and fermented with Budvar lager yeast. Dark and roasty with notes of coffee and caramel with a smooth, lightly sweet finish.
