Blending creativity and experience among brewing friends and family

FESTBIER *Hoppy Wiesn Lager*

This collaboration with Narragansett Brewing Company of Providence, Rhode Island was originally offered in our Stowe Style Collab series. Back by popular demand for 2025, Festbier is a highly aromatic, hop-forward take on the traditional beer. Inspired by the lighter style of lager served on the grounds of Munich's annual Oktoberfest celebration, this single-decocted pale lager is brewed with pilsner malt and loaded with bright, floral noble hops in the whirlpool.
