

VERMONT ADAPTIVE *Blonde Ale*

Supporting sports for everyBODY. We've partnered with Vermont Adaptive, donating a portion of the proceeds from this beer to the organization for their work in empowering people of all abilities through adaptive sports programs, regardless of their ability to pay.

Brewed with continental Pilsner malt and noble hops and fermented cool with a traditional yeast strain from Cologne, Germany, this bright and refreshing blonde ale is crisp and dry with a floral and subtly fruity finish.
